Enjoy this **Find the Star** Template that you can use in your classroom.

All the buttons are animated and hyperlinked. All you have to do is input the categories, questions, or answers. At the bottom of each slide, you'll find some handy notes for changing a few things such as font and animations.

Unfortunately, I could not include some of the clip art I used in my games. I've provided a list of TPTers whose clip art I use most often. Feel free to get some clip art from them. All of them do offer some free clip art. =)

There are 2 things that I ask: 1.) Please leave some feedback on my TPT store. 2.) Please do not make a game and sell it yourself. I worked hard trying making this template game just for you!
